Chapter 6: Pay Rules

6.1 Philosophy

The pay rates for the State's classified workforce will be established in accordance with a system that generally considers such factors as availability of applicants, the quality of the applicant pool, turnover rates, federal law, market competition, pay practices of market competitors, the evaluation system ranking, employee performance and level of funding available. The State will not be a market leader, but, for the most part, will follow the market as the value of jobs change.

6.2 Preparation of Pay Plan

(a) The Director, after consultation with appointing authorities and the state fiscal officer and after conducting such research as he may deem appropriate, shall cause to be prepared for submission to the Commission, a uniform pay plan, or amendments thereto, for the classified service. The Director may propose different rates of pay in different localities and areas of the state depending upon availability of applicants and other factors impacting compensation.

(b) The Director shall make a recommendation to the Commission concerning a pay structure adjustment at least annually.

6.3 Adoption of Pay Plan

(a) Any Pay Plan, or amendments thereto, proposed by the Director shall be submitted to the Commission for its consideration at a public hearing called for this purpose.

(b) The Civil Service Commission, upon adoption of a Pay Plan, shall specify the manner in which the Pay Plan is to be implemented.

(c) A Pay Plan may include but not necessarily be limited to an adjustment to the pay structure, an increase of limited duration, a general increase and/or new, revised or abolished jobs.

(d) A Pay Plan or amendment thereto, when adopted by the Commission after public hearing shall become effective only after approval in its entirety by the Governor.

6.3.1 Other Compensation

An appointing authority desiring to provide compensation not specifically covered either by Chapter 6 of these Rules or by the classification and pay plan shall obtain approval from the Commission of a plan for providing such compensation, and shall obtain certification in accordance with Rule 6.13(a)

prior to providing such compensation. The alteration of any such plan shall not be made without the prior approval of the Commission.

6.4 Rates of Pay in the Pay Plan Plus Base Supplement

- (a) The pay range for each job shall consist of a range minimum and maximum.
- (b) Subject to the provisions of Rules 6.11, 6.15, and 6.16 each employee shall be paid at a rate within the range for the grade to which his position is allocated, or at a rate within the base supplement approved for his position in accordance with the provisions of Rule 6.16(f).

6.5 Hiring Rate

Pay upon employment shall be at the minimum of the range established for the grade of the job to which the position is allocated except:

- (a) The pay of a probational, or job appointee shall not be reduced when the employee is earning more than the minimum for the job he occupies, and is then probationally appointed to a position in the same job, or a different job with the same maximum rate of pay, in the same department without a break in service.
- (b) Special Entrance Rates.

When economic or employment conditions cause substantial recruitment or retention difficulties, the Director may authorize the appointment of qualified applicants at a special entrance rate or may authorize the use of a special retention rate within the range, or within the range plus base supplement authorized for the position, for the job in a limited geographical area or for positions in a job where employment conditions are unusual.

1. The department or departments to which the special rate is made applicable having employees in the same job in the affected area or locale where the special rate will be used, shall increase the pay rate of all such employees to the special rate. All new hires shall be paid at the special entrance rate or special retention rate. An appointing authority may adjust the salaries of employees working in the positions to which the special entrance rate applies to any salary up to but not to exceed the amount of the percent difference between the special rate and the current hiring rate.
2. When special entrance rates or special retention rates are adjusted downward, the individual pay rates of employees occupying positions affected by the authorized rates shall not be changed.

3. Special entrance rates and special retention rates must be approved by the Commission at its next scheduled meeting after action was taken by the Director.

(c) Reentering the Classified Service.

The pay of an employee reentering the classified service, other than one being restored to duty following military service, may be fixed at any rate in the range, or within the range plus base supplement authorized for the position in which he is being employed, that does not exceed the highest salary he previously earned while serving with permanent status in a classified position other than detail to special duty. If the range for the job has been adjusted and the range minimum is higher than his former salary, he will enter at range minimum. If the former salary is higher than the range maximum or range maximum plus authorized base supplement, his pay rate shall be set no higher than the range maximum, or range maximum plus base supplement if authorized for the position in which he is being employed. The appointing authority may at any time grant, to the extent permitted by other provisions of these Rules, any increase for which an employee having reentered the classified service possesses eligibility under this subsection. This Rule shall not apply to a former employee who was dismissed or resigned to avoid dismissal.

(d) Classified When Actually Employed (WAE) Appointment

When an appointing authority makes a classified WAE appointment, he may set the pay of the employee at any rate in the range.

(e) Return From Military.

Subject to Rule 23.15, when an employee returns from military service and is restored to duty in his former, equivalent or lower position, his pay shall be fixed at the rate earned prior to leaving the classified service. If the job or equivalent job had been upgraded or any pay adjustments granted, he shall be granted a pay rate reflecting the impact of these adjustments, as though he had been in that job at the time of the adjustments.

(f) The Director, with the approval of the Commission, may establish special hire rates for workers employed by any State agency which administers federal funds for use in this state, either directly or indirectly or as a grant- in-aid or to be matched or otherwise, provided such State agency is required to by rule or regulation of, or contract with, a participating federal authority to pay such special rate, except that an appointing authority must comply with the minimum wage rate as prescribed and required by Federal rules, statutes, regulations and judicial decisions, when such minimum rate is in excess of that provided for in these rules.

(g) Extraordinary Qualifications/Credentials

Subject to provisions of Rule 6.29, if an applicant who is eligible for appointment under provisions of Chapters 22 and 23 of the Rules possesses extraordinary or superior qualifications/credentials above and beyond the minimum qualifications/credentials, the appointing authority may, at his own discretion, pay the employee at a rate above the minimum provided that:

1. such superior qualifications/credentials are verified and documented as job related,
2. the rate does not exceed the third quartile of the range for the affected job,
3. the rate is implemented in accordance with written policies and procedures established by the department,
4. the appointment is probational, provisional or a job appointment.

The employee may be paid upon hiring or at any time within one year of the hire date. If paid after the hiring date, the pay change must be prospective. The salaries of all current probational and permanent employees who occupy positions in the same job title and who possess the same or equivalent qualifications/credentials may be adjusted up to but not to exceed the amount of the percent difference between the special hiring rate and the regular hiring rate provided that the qualifications/credentials are also verified and documented as job related and that the rate is implemented in accordance with written policies and procedures established by the department; such policies shall be posted in a manner which assures their availability to all employees. Such adjustments shall only be made on the same date that the higher pay rate is given to the newly hired employee.

If an employee with permanent status resigns and is then rehired into either the same position or into the same job title or a lower level job in his career progression group at the same agency, the employee shall not be eligible for an increase under this rule unless there has been a break in State service of at least 60 days.

(h) Reentering the Classified Service Without a Break In Service

When an appointing authority requires an employee to resign a permanent position in order to accept a probational appointment, and the employee accepts such an appointment without a break in service, and the appointment would have been considered a promotion according to Rule 6.7 the employee shall retain eligibility for the promotional increase for a period not to exceed 1 year. The appointing authority may grant any increase for which the employee would have been eligible under Rule 6.7. This Rule shall not apply to an employee who was dismissed or resigned to avoid dismissal.

6.5.1 Pay Upon Appointment From a Department Preferred Reemployment List

Subject to Rule 6.14, the pay of a person appointed from a department preferred reemployment list may be fixed no higher than his rate of pay at the time of the layoff or displacement action, which entitled him to placement on the preferred list from which he is appointed, or at his current rate if such rate is higher based on other provisions of these Rules. In no case shall the rate of pay be higher than the range maximum for the class to which appointed, or the highest rate within the base supplement authorized for the position to which appointed.

6.6 Market Grade Adjustment

(a) When the pay range for the grade to which a job is currently assigned is either not sufficient to compete with prevailing market conditions, or is found to exceed prevailing market rates, the Director may, in accordance with Rules 6.1 and 3.1(n), authorize the assignment of the job to a grade with a more appropriate pay range. The individual pay rate of employees occupying jobs which are affected shall be set in accordance with Rule 6.8.1.

(b) Repealed, as of December 4, 1989.

6.7 Rate of Pay Upon Promotion

(a) Subject to the provisions of subsections (e) and (f) of this rule, when an employee is promoted to a position in a higher grade, his pay shall increase by at least 7 percent.

(b) Subject to the provisions of subsections (e) and (f) of this rule, when an employee is given a one grade promotion his pay shall increase by 7 percent. When an employee is given a two grade promotion his pay may be increased in an amount not to exceed 10.5 percent. When an employee is given a three or more grade promotion his pay may be increased in an amount not to exceed 14 percent. An employee shall not be paid below the minimum of the higher range.

(c) Eligibilities gained but not received at the time of promotion may be given prospectively at any time within three years from the effective date of the promotion.

(d) When an employee has been detailed with pay to a higher job and is promoted to that same job or a job at the same pay level or a higher pay level directly from the detail, his pay eligibility on promotion shall not be less than he received on detail.

(e) Subject to the provisions of subsection (f) of this rule, when an employee is promoted from a job assigned to one pay schedule to a job with a higher range maximum in another pay schedule, his pay shall be adjusted as follows:

1. If the maximum of the job to which he is being promoted is less than 14% above his current maximum, his pay shall be increased by 7%.
2. If the maximum of the job to which he is being promoted is at least 14% but less than 21% above his current maximum, his pay shall be increased at least by 7% but not to exceed 10.5%.
3. If the maximum of the job to which he is being promoted is equal to or greater than 21% above his current maximum, his pay shall be increased by at least 7% but not to exceed 14%.

(f) When an employee, whose rate of pay falls within the base supplement for his current position, promotes to a position which has no base supplement, his salary for purposes of pay calculation upon promotion shall be the range maximum of his current position for which the base supplement is authorized.

6.8 Pay Upon Reallocation

When the Director changes the allocation of a position from one job to another by reallocation,

(a) If the job to which the position is allocated is in a higher grade in the same schedule or is in a grade with a higher maximum in another schedule, the affected employee's pay shall be set in accordance with Rule 6.7.

(b) Subject to the provisions of subsection (d) of this rule, if the job to which the position is allocated is in a lower grade in the same schedule or is in a grade with a lower maximum in another schedule, the affected employee's pay will not change, but shall be subject to provisions of Rule 6.15.

(c) Subject to the provisions of subsection (d) of this rule, if the job to which the position is allocated is in the same grade in the same schedule or is in a grade with the same maximum in another schedule, the employee's pay shall not change.

(d) If the position is reallocated in such a way that the current base supplement rate of pay authorized for the position is lost or reduced, the affected employee's pay shall be set no higher than his current salary and at the higher of the following:

1. the range maximum (this is a red circle rate) of the position from which he is being reallocated, or

2. within the range maximum plus the base supplement (this is not a red circle rate) authorized for the position to which he is being reallocated.

6.8.1 Pay Upon Job Correction or Grade Assignment

When the Director assigns a job to a different grade or changes the allocation of a position from one job to another by job correction,

(a) If the job to which the position is job corrected is in a higher grade in the same pay schedule or is in a grade with a higher range maximum in another pay schedule, or if the job is assigned to a higher grade in the same pay schedule or to a grade with a higher range maximum in another schedule, the affected employee's pay shall not change. An employee shall not be paid below the minimum of the higher range.

(b) Subject to the provisions of subsection (d) of this rule, if the job to which the position is job corrected is in a lower grade in the same pay schedule or is in a grade with a lower range maximum in another pay schedule, or if the job is assigned to a lower grade in the same pay schedule or to a grade with a lower range maximum in another schedule, the affected employee's pay shall not change, but shall be subject to provisions of Rule 6.15.

(c) Subject to the provisions of subsection (d) of this rule, if the job to which the position is job corrected is in the same grade in the same pay schedule or is in a grade with the same range maximum in another pay schedule, or if the job is assigned to the same grade in the same pay schedule or to a grade with the same range maximum in another schedule, the affected employee's pay shall not change.

(d) If the position is job corrected or if a job has a pay range change in such a way that the current base supplement rate of pay authorized for the position is lost or reduced, the affected employee's pay shall be set no higher than his current salary and at the higher of the following:

1. the range maximum (this is a red circle rate) of the position from which he is being reallocated, or
2. within the range maximum plus the base supplement (this is not a red circle rate) authorized for the position to which he is being reallocated.

6.8.2 Pay Upon Relocation

Pay may be reduced upon movement to lower jobs as a result of a layoff. Pay reductions shall be uniform in their percentage for all affected employees. If the uniform pay reduction results in an

employee's rate of pay falling above the maximum of the pay range, the appointing authority may choose one of the following options for all employees similarly situated:

1. The pay of affected employees may be reduced to the range maximum; or
2. The pay of affected employees may be set at the red-circle rate.

6.9 Pay Upon Transfer or Reassignment

(a) Subject to the provisions of Subsection (f) of this Rule, when a permanent or probationary employee is transferred without promotion or demotion, his pay shall not be reduced without his permission.

(b) When a permanent employee is transferred with promotion following certification from a promotional or probational eligible list, or following noncompetitive promotion, Rule 6.7 shall apply.

(c) When a permanent or probationary employee is transferred with demotion, Rule 6.10 shall apply.

(d) Subject to the provisions of Subsection (f) of this Rule, when an employee is reassigned to another position, his rate of pay shall not be reduced without his permission.

(e) When an employee is transferred, the department releasing the employee shall be liable for payment for any holidays and/or regular days off intervening between the last day actually worked in the department releasing the employee and the first day to be worked in the department acquiring the employee.

(f) Notwithstanding the provisions of Subsections (a) and (d) of this Rule, if an employee is transferred without promotion, demotion, or change in duty station or is reassigned from a position with an authorized base supplement to a position for which a lower or no base supplement is authorized, the affected employee's current base supplement pay shall be reduced to the range maximum or to a rate within the new position's base supplement no higher than his current salary.

6.10 Rate of Pay Upon Demotion

Subject to the provisions of Civil Service Rule 6.15 and 5.6.1(e) and (f), when an employee is demoted for any reason under any circumstances, his pay shall be reduced as follows:

(a) If the demotion is to a job within the same schedule or to a job in another schedule with a lower maximum his pay shall be reduced by a minimum of 7% and may be set at a lower rate in the range provided that it is no less than the minimum.

(b) Repealed, effective September 9, 2003.

(c) Repealed, effective September 9, 2003.

(d) Subject to the provisions of Rule 6.29, an appointing authority may grant exceptions to this rule for voluntary demotions. Exceptions shall not be granted by the appointing authority in an arbitrary or fraudulent manner designed to increase an employee's rate of pay. An appointing authority may, as part of a formal written policy, waive a pay increase on promotion for an employee who has been demoted without a decrease in pay within a six-month period.

6.11 Rate of Pay on Detail to Special Duty

When an employee is detailed to special duty, his pay shall not be reduced; if the position is allocated to a job which is assigned to a higher grade, his pay shall be increased to the rate he could receive upon promotion to such position, provided:

(a) Any such temporary increase granted him shall not affect his eligibility for pay increases which he would have acquired in his regular position had he not been detailed.

(b) At the conclusion of the detail, his pay shall revert to his authorized rate of pay in his regular position.

6.12 Compensation for Part-Time Services

(a) When part-time service in any position is authorized or rendered, the actual compensation to be paid shall be the appropriate hourly rate.

(b) When part-time service is rendered, it shall be the duty of the appointing authority to certify to the Director, on each notice of appointment or change in status of the employee, the percent of full-time hours to be worked.

(c) An employee paid on a monthly or semi-monthly basis, who is employed for only part of a pay period shall be paid for the proportionate calendar days worked.

6.12.1 Compensation for Holidays

Employees shall be eligible for compensation on holidays observed except:

(a) When the employee's regular work schedule averages less than 20 hours a week;

(b) When the employee is on classified WAE appointment;

(c) When the employee is on leave without pay immediately preceding and following the holiday period;

(d) When the employee is on an intermittent work schedule.

6.13 Certification and Payment

(a) No employee shall receive any compensation except as authorized by or pursuant to the provisions of Article X, the Civil Service Rules, the Uniform Classification and Pay Plans, and the policies and procedures issued by the Director.

(b) If payments to an employee are found to have been made in violation of the provisions of Article X, the Civil Service Rules, the Uniform Classification and Pay Plans, or the policies and procedures issued by the Director, the Director may take any corrective action he deems appropriate or may direct the appointing authority to take such corrective action. Corrective actions may include, but are not limited to, the rescinding of any actions and associated compensation, or restitution to the employee.

6.14 Performance Adjustments

(a) An employee who is in active status as of June 30 of the performance evaluation year, except for those serving as classified When Actually Employed (WAE) employees, becomes eligible for and may be granted a performance adjustment, provided that the appointing authority has determined his performance merits such an adjustment.

(b) Repeal effective July 1, 2012.

(c) The amount of each performance adjustment shall be 4 percent of the employee's individual pay rate.

(d) Repeal effective July 1, 2012.

(e) All increases herein authorized are subject to the requirement that no employee's pay shall exceed the maximum rate of pay established for the job, or the highest rate within the base supplement authorized for the position occupied.

(f) An employee's eligibility for the increases authorized in Subsection (a) shall not be interrupted by time served in the military service if he is reemployed under the provisions of Rule 23.15.

(g) Repeal effective July 1, 2012.

(h) Any adjustment or increase which an employee receives under the provisions of other rules, unless otherwise indicated, shall not affect such employee's eligibility to receive increases authorized under this rule.

(i) An employee who has a current official overall Performance Evaluation of "Needs Improvement/Unsuccessful" or equivalent shall not be eligible for any increase under the provisions of this rule.

(j) Repeal effective July 1, 2012.

(k) An employee on detail to a position in a higher grade may be eligible for a performance adjustment in the higher job calculated on his individual pay rate in the higher job.

6.14.1 Repealed effective December 12, 2012.

6.15 Red Circle Rates

Rates that fall within the range or within the base supplement authorized for a position become the employee's authorized individual pay rate. Excluding those that fall within the base supplement authorized for a position, individual pay rates that fall above the maximum established for the grade become red circle rates; or, under the conditions outlined below in subsection (d) of this rule, individual pay rates that fall above the base supplement authorized for a position become red circle rates. Such red circle rates remain in effect until the range or range plus authorized base supplement for a position catches up with the rate; however, eligibility for a red circle rate is lost upon separation from state service, or demotion. Individuals whose salary rates are red circled shall not be eligible for any other pay adjustments provided for in the rules. Red circle rates are assigned under the conditions as outlined below:

(a) When the job to which a position is allocated is assigned to a lower grade.

(b) Except as provided in Rule 6.8(d), when a position is reallocated to a job assigned to a lower pay grade.

(c) When an adjustment (this does not include base supplement) to the pay structure has the effect of lowering the range minimum and maximum for the grade to which a job is assigned.

(d) When positions are declared to be in the classified service and the employee's current rate of pay falls above the maximum of the range for the grade of the job into which the position(s) are allocated, or above the range plus base supplement authorized for the position allocated. A red

circle rate given as a result of an acquisition of a position under Civil Service Rule 24.2 shall be treated in the following manner:

1. After two years, should the red circle rate of pay exceed the maximum rate of pay of the job to which the position is allocated by over twenty-eight percent, the red circle rate shall be reduced to a figure not more than twenty eight percent above the aforementioned maximum or to the maximum of the base supplement, whichever is higher.
2. A red circle rate reduced under (d) 1 above may not be reinstated under subsection (g) below.

(e) When the employee's pay exceeds the maximum of an approved market grade.

(f) Repealed effective April 2, 2014.

(g) An appointing authority may request authority from the Commission to reinstate red circle rates (except those specified in subsection (d) above) awarded for two years which have expired when the employee's pay continues to be lower than the previously authorized red circle rate. Any approval granted shall be prospective from the date of Commission action. Eligibility for reinstatement is lost upon separation from state service or demotion.

(h) Red circle rates in effect on June 8, 1994, the effective date of the amendment to this rule providing for a continuing red circle rate, shall be extended in accordance with the provisions of this rule.

6.16 Special Pay Provisions

Under conditions described below, the Commission may authorize special pay considerations, beyond those already prescribed in these rules.

(a) Premium Pay

In order to remain competitive with the pay practices of market competitors, the Commission may authorize special pay for positions in a job where employment conditions are unusual. Additional pay may be authorized for an employee who performs extraordinary duty that is not an integral part of his regularly assigned duties. Such additional pay shall not be considered as part of the employee's base pay.

(b) Repealed, effective January 1, 2000.

(c) Individual Pay Adjustment.

When an appointing authority requests and can present adequate justification with documentation before the Commission in public hearing, the Commission may grant special adjustments in pay for individual employees. Such adjustments shall be granted only within the pay range for the grade to which the employee's position is allocated, or at a rate within the base supplement approved for his position in accordance with the provisions of Rule 6.16(f).

(d) An appointing authority may, after presenting justifiable reasons in writing to the Commission, and with the Commission's approval, pay an incentive award at any time that the justifications have been shown.

(e) The special pay rates authorized by this Rule shall not be effective until after approval by the Commission at a public hearing.

(f) Rate of Pay Upon Approval of Base Supplement.

When market and employment conditions require additional pay above the range maximum in order to maintain competent and experienced staff, the Commission, upon request from the appointing authority, may authorize that employees occupying positions in selected job titles, geographic areas, organizations or other limiting factors deemed appropriate by the Commission, receive a base supplement. Any Commission-approved base supplement must also be approved by the Governor before it can become effective. Authority for such pay may be adjusted or rescinded by the Commission, with the approval of the Governor, should market and employment conditions change. When authorized, this base supplement shall be treated as a part of base pay and must be reported as such.

(1) Upon reaching the range maximum, the salary of an employee whose position has been authorized base supplement may receive additional pay based on other provisions of these rules up to the highest rate within the base supplement and in accordance with any special provisions and conditions specified by the Commission.

(2) An employee who occupies a position at the time its base supplement authority is rescinded or adjusted downward by the Commission shall have his salary set in accordance with the provisions and conditions specified by the Commission.

(3) An employee who occupies a position at the time its base supplement authority is moved upward shall have his salary remain the same, unless he retains eligibility for other adjustments authorized under other provisions of the Rules and unless the salary is set in accordance with any special provisions and conditions specified by the Commission.

(g) Pay for Employees at Range Maximum

Subject to the provisions of Rule 6.29, in order to reward those employees who have achieved at least 12 years of continuous State service and have reached the maximum of their pay range or the maximum plus maximum base supplement, have continued to exhibit satisfactory performance for a period of at least three years after reaching the maximum or maximum plus maximum base supplement, and who have been at the same maximum or maximum plus maximum base supplement pay rate for a period of three years, an appointing authority may, at his own discretion, grant a lump sum payment of up to 4% of the employee's base salary. Employees may not receive such an increase more frequently than every three years. Employees who are red circled shall not be eligible for a lump sum payment. Eligibilities gained but not received at the time of initial eligibility may be given prospectively at any time within three years of the initial eligibility.

(h) Payment for Attainment of Advanced Degree

An appointing authority may approve a base pay increase of up to 10% for a permanent employee who attains a job related Master's Degree, Ph.D., or their equivalent from an accredited college or university while employed at the Department, provided that a Department policy has been approved by the Civil Service Commission and the employee was not previously rewarded for attainment of the degree under another rule.

6.16.1 Rewards and Recognition

Subject to the provisions of Rule 6.29, an appointing authority may, at his discretion, implement a program of rewards and recognition for individual employees or for employee groups for significant achievement. Such rewards may be either monetary or non-monetary. If monetary, such rewards shall not exceed a total of 10% of the employees base salary within a fiscal year. Monetary rewards shall not be a part of the employee's base pay, but rather shall be a lump sum reward. Such reward and recognition programs shall be implemented in accordance with written policies and procedures established by each department. Such policies must receive advance approval from the Civil Service Commission and shall be posted in a manner that assures their availability to all employees. Such policies shall also include the public posting of all reward recipients.

6.16.2 Optional Pay Adjustments

Subject to the provisions of Rule 6.29, an appointing authority may, at his own discretion, grant individual pay adjustments to permanent employees for the following reasons:

(a) Matching a Job Offer

To provide for the retention of an employee whose loss would be detrimental to the State service, an appointing authority may grant an employee up to a 10% base pay or lump sum to match a verified, non-State job offer or unclassified job offer in a different state department. An appointing authority may ask the Commission to authorize an increase greater than 10%.

(b) Compression Pay

An appointing authority may grant an employee a pay increase of up to 10% of the employee's base pay to reduce compression, realign pay between comparable employees, or alleviate supervisor/subordinate pay inversions caused by job and pay plan changes.

(c) Additional Duties

To compensate employees for performing additional duties, an appointing authority may grant an employee a base pay increase or lump sum payment of up to 10%. Employees at the maximum of the pay range may only receive a lump sum adjustment. An employee may not receive more than 15% base pay increases within three consecutive years.

(d) Recruitment

May grant an employee a pay increase of up to 10% of the employee's base pay to recruit employees into positions for which recruiting is difficult.

Such optional pay adjustments shall be implemented in accordance with written policies and procedures established by each department. Such increases shall not exceed 10% in a fiscal year for an individual employee and shall not duplicate a payment received pursuant to any other Rule. Such policies must be receive advance approval from the Civil Service Commission and shall be posted in a manner that assures their availability to all employees. Such policies shall also include a public posting of all recipients.

6.16.3 Exceptional Performance and Gainsharing

This rule establishes an incentive program designed to encourage increased efficiency and better performance in governmental operations. Subject to the provisions of Rule 6.29, and after obtaining a reward of monies from the incentive fund as established in the Louisiana Government Performance and Accountability Act, an appointing authority may implement an exceptional performance or gainsharing incentive reward program which provides for supplemental compensation to identify classified employees or classified employee groups responsible for efficiencies or exceptional performance. Where the agency is not covered by the Louisiana Government Performance and Accountability Act, the appointing authority shall obtain certification of

efficiencies or exceptional performance as required by the Director of the Department of Civil Service. Employees must have been employed by the agency, program, or activity during the period when the efficiencies or the exceptional performance occurred and at the time the reward is distributed. Monetary rewards shall not be part of the classified employee's base pay, but rather shall be a lump sum reward not to exceed 20% of their annual base salary. Such reward shall not be considered in the determination of retirement benefits. Each appointing authority's supplemental compensation plan must be approved by the Civil Service Commission prior to distribution of the monies. The plans shall be posted in a manner that assures their availability to all employees. Such public posting shall identify the reward recipients and the amount received by each recipient.

6.17 Pay on Entering the Classified Service Under the Provisions of Rule 24.2.

An employee who enters the classified service under the provisions of Rule 24.2 because his position has been declared to be in the classified service shall have his pay established as follows:

- (a) If the employee's rate of pay falls within the range, or within the range plus the authorized base supplement for the position allocated, his rate of pay shall remain the same.
- (b) If the employee's current rate of pay is below the range minimum, it shall be brought to the range minimum or interim minimum if such is in effect at the time.
- (c) If the employee's current rate of pay is above the range maximum or above the range maximum plus the base supplement authorized for the position allocated, Rule 6.15 shall apply.

6.25 Repealed and Re-enacted in Rules 21.10 and 21.11, effective December 31, 2003.

6.26 Repealed and Re-enacted in Rule 21.2, effective December 31, 2003.

6.27 Repealed and Re-enacted in Rules 21.7 and 21.12, effective December 31, 2003.

6.28 Compensation for On-Call Duty/Shift Work

Subject to the provisions of Rule 6.29,

- (a) The Director may authorize compensation for on-call/shift work through policy directives which establish guidelines for compensation for employees performing these types of work. These guidelines will establish the maximum authorized amounts which may be utilized. The Commission may authorize amounts at levels higher than established by the Director.

(i) Vacancies to be created as the result of the layoff of the least senior employees shall be offered first to employees who occupy targeted positions based on skills, experience, performance, seniority and the needs of the agency as determined by the appointing authority. These needs shall be determined based on documented, rational business reasons.

- (c) If the employee is absent from work, he shall provide to the personnel specified by his agency, correct and current information as required by the agency on how he may be reached at all times.
- (d) The employee shall respond to a relocation offer in a manner determined by the agency. Failure to do so shall be considered a declination of the offer.
- (e) For purposes of meeting the job qualifications of the relocation offer, an employee must have a grade from Civil Service only in the instance of an employee moving from a sub-professional level job to a professional level job. The employee must have the grade before the effective date of the layoff to be eligible for that position. The grade need not be active; it may be expired; however, it must be a grade for the test currently in use and must be verifiable.

17.23 Department Preferred Reemployment List

(a) The Department Preferred Reemployment List created under this rule is a list of names of permanent employees who have been laid off or moved to a vacancy created as the result of a layoff. Employees on such a list shall be given preferential hiring rights for their department or agency, subject to the exceptions stated in this rule or approved as part of the Layoff Plan under Rule 17.3

(b) Only employees who have relocation rights according to Rule 17.18, and who have been laid off or moved to a vacancy created as the result of a layoff shall be eligible for this list. Eligibility shall be limited to:

1. the agency or department where the layoff occurred;
2. the employee's parish of domicile at the time of layoff and any other parishes he may list for availability; and
3. the same job title the employee held at the time of the layoff and equivalent or lower-level jobs for which the employee qualifies in his career field. (d) Employees shall be ranked in the order of length of state service they had at the time of the layoff. When a vacancy occurs, the eligible employee with the most state service shall be given the first offer. Those tied shall be considered as having the same ranking. Ties shall be decided by the appointing authority using any non-discriminatory method he chooses.

(e) An employee's name will be removed for the applicable list(s) when:

1. He is offered reemployment from the Department Preferred Reemployment List to a permanent position. His name shall then be removed for that job as well as for all other equivalent or lower jobs, but shall remain on the list for higher jobs for which he is eligible.
2. He declines or fails to respond to an offer. He shall then be removed for that job, equivalent jobs, and all lower jobs.
3. He attains permanent classified status in any position in any department. His name shall then be removed from all such lists for equivalent and lower jobs.

5. The Director determines that he is not qualified, is not available, or upon investigation, he is found to be not suitable for appointment to the position.
6. His name has been on the list for two years from the effective date of the layoff.

(f) If the job held by the employee prior to the layoff undergoes a change in the minimum qualification requirements or title or pay range (including one that is changed upward) after the layoff, at the request of the employee, he may have his name placed on the list for the newly revised job title and equivalent and lower level jobs in his career field. He shall not be required to meet the new qualifications if sufficient evidence is presented to the Director to show, as determined by the Director that he is returning to a job having essentially the same duties he was performing when affected by the layoff, unless the lacking qualification is one required by law or under a recognized accreditation program.

17.24 Exceptions to Hiring from the List

If there is a Department Preferred Reemployment List, the employee who is first on the list shall be hired first, subject to exceptions approved under Rule 17.3 and/or when the position is filled by:

17.26 Movement of Employees Following Layoff

For rational business reasons, after a layoff, an appointing authority may move an employee from one position to another position for which he qualifies in the same pay grade as long as such movement does not circumvent the Department Preferred Reemployment List.

**APPOINTING AUTHORITY POLICY
ON OPTIONAL PAY ADJUSTMENTS
CIVIL SERVICE RULE 6.16.2**

The Greater Lafourche Port Commission may grant base pay or lump sum pay adjustments to permanent classified employees in the following circumstances:

RETENTION OF AN ESSENTIAL EMPLOYEE

Employees judged by the agency Appointing Authority to be essential to the department may receive a base pay increase of up to 10% of their annual salary in order to match a written and verified salary offer from a private employer. Employees who are at range maximum may receive a one-time lump sum payment of up to 10%.

RECRUITMENT INTO A DIFFICULT TO FILL POSITION

The Appointing authority may grant a base pay increase of up to 10% to a classified employee in addition to any other compensation granted under Rule 6.7 in order to attract said employee into a difficult to recruit for job. This will only apply to those jobs for which an inadequate certificate is issued. The agency must also make a diligent effort to appoint an applicant at the normal rate of pay. Employees at range maximum may receive a one-time lump sum payment of up to 10%.

ADJUST PAY DIFFERENTIALS

The Appointing Authority may grant a base pay increase of up to 10% to an employee whose pay is affected by an increase given to other employees in either the same job series or supervisory chain. Such increases will be limited to those cases where a junior employee's pay rate surpasses the pay rate of senior employees. Consideration will only be given in those instances where the implementation of either Civil Service Rule 6.5(b) or 6.5(g) caused the pay discrepancy. Employees at range maximum will not be eligible for an increase.

COMPENSATION FOR PERFORMING ADDITIONAL DUTIES

The Appointing Authority may grant a base pay increase of up to 10% to an employee who is assigned additional duties on a permanent basis. Such assignment of duties shall be documented in an official position description. Employees at range maximum who are assigned additional duties on a

permanent basis may receive a one-time lump sum of up to 10%. Employees who are assigned additional duties for a limited time period may receive a lump sum adjustment of up to 10% after the duties are performed. No employee shall be eligible for either a lump sum or base pay increase for additional duties which were compensated according to another Civil Service Rule.

All increases granted according to this rule will be restricted to full-time permanent classified employees.

The Appointing Authority must validate that any request for application for a pay adjustment is consistent with the intent of this policy and the Civil Service Rules.

Final approval from the Board of Commissioners must be received before any optional pay adjustment will be granted.

The maximum increase that an employee may receive in a calendar year is 10%.

This policy shall be included in the Greater Lafourche Port Commission policy manual and posted in the Human Resource office. A listing of all employees who receive increases according to this rule shall also be posted in the Human Resource office.
